Dear Christina Pilarski,

Let's make sure Wildrose wins the Calgary-Elbow by-election!

As you likely heard earlier today, former Premier Alison Redford has stepped down as the MLA for Calgary-Elbow, vacating the seat and forcing a by-election.

While they will undoubtedly attempt to pin all of their scandals on her as she leaves politics, the truth is not a single PC MLA or minister said a word about her conduct and ongoing abuse of taxpayer dollars.

This only proves what we've said all along: The PC culture of entitlement runs far too deep for one person to fix. The only way of truly fixing things is to elect a new Wildrose government that will stand up for everyday Albertans.

With Ms. Redford's resignation, we have an opportunity in the upcoming by-election to send the PCs a loud and clear message. By electing a Wildrose MLA in Calgary-Elbow, we send the message to the PCs that Albertans aren't going to tolerate their abuses and entitlements any longer. Let's show them there's no safe PC seat left anywhere in Alberta – let's win in Calgary-Elbow!

But we need your help.

Your donations today will go directly towards our by-election fund. [A donation](#)

[of \\$45](#) will pay for ten lawn signs. [A donation of \\$85](#) will print 500 brochures. [And a donation of \\$240](#) will pay for three 30-second radio spots on local radio. Your dollars really do make a difference. [Click here to donate today!](#)

In closing, let me thank you for your continuing support of Wildrose. We're at an absolutely critical juncture in Alberta's history. Let's start the work of electing a new Wildrose government right now by making sure we elect a new Wildrose MLA in Calgary-Elbow!

Sincerely,

William McBeath, Provincial Campaign Director  
Wildrose

PS. The government must call the by-election within the next few months – in fact, they could call it within the next few days or weeks. Please donate today to make sure that we hit the ground running in Calgary-Elbow! Together, I know that we will win!
